

# What our **financial** customers are saying

“*With Vectra, I can focus on the highest-risk threats. With other solutions, I have to filter to get rid of hundreds or thousands of false positives.*”

**Matthias Tauber**

*Senior Services Manager for IT Security  
DZ Bank*

[Read the case study](#)

“*Detect for Office 365 is a windfall in light of how attackers are compromising and taking over accounts.*”

**John Shaffer**  
CIO  
Greenhill

[Read the case study](#)

“

*Vectra gives us access to the right people  
to make sure our journey is a success.  
Vectra is passionate about putting the  
customer first.*

”

**Carmelo Gallo**

*Cybersecurity Manager  
ED&F Man*

[Read the case study](#)

“

*As a long-time Vectra customer, I have confidence in identifying and stopping privilege escalation and account takeovers in Office 365.*

”

**John Shaffer**

*CIO*

*Greenhill*

“

*Vectra Threat Certainty Index automatically prioritizes detected threats, so you can easily spot the most critical. The system consolidates hundreds of events and combines them with historical context to identify the host that poses the greatest threat.*

”

**Marek Jastrzębski**

*Director of the IT Department  
mLeasing Sp. z o.o.*

[Read the case study](#)

“

*The Vectra platform, thanks to high levels of automation, minimizes the time needed to detect a threat and allows for an immediate response to stop an attack.*

”

**Marek Jastrzębski**

*Director of the IT Department  
mLeasing Sp. z o.o.*

[Read the case study](#)

“*Vectra is looking for anomalous behavior, things that are out of context which helps us reduce time. Therefore, we don't have to look in all the logs. We just wait for Vectra to say, 'This one is behaving strange,' then we can investigate that part.*”

**Cybersecurity Analyst**

*Financial Services Company*

[Read the review](#)

“

*We went from zero to 100 percent visibility  
into attack behaviors with Vectra.*

”

**Head of Security**

*Global Financial Services Firm*

[Read the case study](#)

“*Vectra gives all the necessary threat information to our SOC analysts,” says the head of cybersecurity. “Detect for Office 365 is priceless.*”

**Head of Security**

*Global Financial Services Firm*

[Read the case study](#)

“

*We gained more value from Vectra in a week than we gained from configuring our SIEM for an entire year.*

”

**Head of Security**

*Global Financial Services Firm*
